Registration and Enrollment

Hello,

We are excited for the new school year, and we are so happy that you have chosen to join us! We take great pride in educating young children, we have enjoyed working with Preschoolers for over 40 years! We look forward to creating a kind, supportive and joyful learning environment where your child will grow in knowledge and be prepared for every challenge to come!

Enroll your child

The following forms need to be completed and returned to enroll your child at Pioneer Preschool for the upcoming school year!

Please let me know if you have any questions, I am here to help.

Step 1) Fill out the Registration form, and pay fee to secure your child's spot! Please complete, return, or drop off your registration form to the Preschool. You can include a check for the Registration fee. You are always welcome to mail or drop it off in our outside mailbox as well!

Welcome!!

*These additional and necessary forms will be given to you, or available for you through our website.

Step 2) Take the Child Medical statement/form (JFS 01234 10/21) to your child's Doctor's office. Their office will need to complete this form and attach your child's immunization record, the Pediatrician will also need to sign and date the form. Our preschool fax number is written on the bottom of the form, and their office is welcome to fax it to us.

*Your child's medical expires 12 months after the date of exam, therefore the State mandates that we collect an updated and current form yearly. We must have a current medical to have your child at the Preschool.
