

## Pioneer Preschool Older-Twos and Young-Threes (Two-Plus)

This *new and special program* has been designed for the student that is no longer *old enough to attend Three-Year-Old Programs due to recent changes from Solon City Schools regarding cut-off dates for enrollment.*

*This class is for children born between 8/1/22 and 11/1/22 and will help bridge the gap and further your child's learning and confidence before moving onto the Three-Year-Old Program.*

*\*Please note that your child must be potty trained.*

Our goal is to foster their social and emotional development while continuing to teach them self-sufficiency skills and to further prepare them for a lifetime of learning and success!

### Class offered 9:00-12:00 pm
