## **Cutoff Dates for Registration**

- We typically enroll our students using the Solon Schools cutoff dates to determine which class a child belongs. However, we want to assure you that we are happy to use your School Systems' cut off dates to determine which class is the best for your child. *For this coming 2025-2026 school year, Solon's new cutoff date guidelines state that a child must be 5 on or before August 1st to attend Solon Kindergarten. For example, using Solon' Schools cut off date a child must be 2 before August 1st to register for our 2s class, and so on for each age level. Most of the surrounding cities also use August 1st as their cut off date. We have a list of cut off dates for surrounding cities, I am happy to help you with any questions you may have.*

I have read the above information, I understand and agree to follow the guidelines and rules set forth by Pioneer Preschool.
